Dear I. Fabris-Rotelli,

Thank you for submitting an abstract to present at the **Spatial Statistics: Towards Spatial Science 2019 Conference**. On behalf of the organizing committee, I am delighted to inform you that your abstract titled "Mechanisms to model the stochastic anisotropy of DPT point patterns in a big data context" has been accepted for an **Oral** presentation.

Details of your abstract are as below:

Title:	Mechanisms to model the stochastic anisotropy of DPT point patterns in a big data context
Authors:	I. Fabris-Rotelli, A. Stein
Presenting author:	I. Fabris-Rotelli

Please check the above details of your presentation carefully, as all conference material will be printed with this information. If there are any corrections, please inform me as soon as possible by email.

You will be informed about the scheduling of your presentation shortly.

It is a condition of oral abstract acceptance that you or a nominated presenting co-author registers for the conference by the **author registration deadline, Friday 3<sup>rd</sup> May 2019**. If you do not register by this date, we may not be able to include your presentation in the Conference programme.

Should the addressee above not be the nominated presenter, please inform me of the name and email address of the presenter immediately.

Please follow this personalized link to register: <http://conferences.elsevier.com/SPAT2019?email=inger.fabris-rotelli@up.ac.za&abstracts=0292>

**Click on the link, select 'new customer' and proceed. Note that you will need to set up a different password for this system as it is different from the abstract submission system.**
